

Michael Accurso, Winemaker EnRoute and Post & Beam

Michael has held the winemaking reigns at EnRoute since 2018. Born and raised in the Napa Valley, Michael's passion for wine came naturally and the depth of his experience in both the cellar and the vineyards gives him unique insight into winemaking.

Michael's career has taken him through several of California's premier wine regions from Napa and Anderson Valleys to Paso Robles. It has even taken him abroad to craft wine in Argentina.

Before joining the Far Niente winemaking family Michael garnered considerable experience working with Pinot Noir as the winemaker for Goldeneye Winery. Michael holds a Bachelor of Science in Agricultural Business, with a minor in Wine Viticulture from Cal Poly, San Luis Obispo.
