NICKEL & NICKEL FOG BREAK CABERNET SAUVIGNON ATLAS PEAK, NAPA VALLEY

2021

Country	United States	Score 97
Region	California	
Vintage	2021	

Outstanding balance and complexity from the beginning that showcases concentrated black fruits and purple flowers with plenty of spices and subtle yet harmonious toast and cedar aromas. Intense graphite and stony minerality, too. Full- to medium-bodied on the mid-palate with delightful acidity that gives this wonderful crunchiness. Fine-grained juicy tannins. Precisely focused wine that is colorful and sound. Beautiful length, too. Already so drinkable now but will age gracefully, especially for Atlas Peak.
