

2021 LATTICE RUN VINEYARD

Cabernet Sauvignon, Yountville, Napa Valley

VINEYARD DESCRIPTION

Lattice Run Vineyard is located along the Western Bench of Yountville, and named for the unique trellis system in which the vineyard is planted, allowing for even distribution of light and air on both sides of the canopy.

HARVEST NOTES

With very little winter rain, the 2021 growing season began under drought conditions. An equally dry spring punctuated with the windiest May in recent years brought us early budbreak and bloom. The summer months were mild with few heat spikes, allowing the vines to slowly ripen and yield small but intensely flavored grapes. An outstanding growing season for the vineyards, the closer we got to harvest, we continued to see excellent quality all around with the intensity of flavor observed in the vineyard continuing in the winery.

SENSORY EVALUATION

Our 2021 Lattice Run Vineyard Cabernet Sauvignon showcases scrumptious aromas of currant preserve, toasted marshmallow, and juniper. The palate is both opulent and elegant, with firm tannins and bright juicy acidity, with hints of vanilla, blackberry, and subtle notes of chocolate, cassis, and baking spice.
